

# How to Pass CMPS 260

Accept the Goal:

**Understanding!**

# How to Pass CMPS 260

## Follow the To-do List:

- **Read the text before the lecture.**
- **Attend all lectures. Pay attention. Ask questions.**
- **Study the major examples in the text.**
- **Attend and complete all labs.**
- **Review daily.**
- **Get help promptly from the instructor or a TA if you do not understand something.**
- **Complete all assigned work. Start projects early.**

# How to Pass CMPS 260

Embrace the Principle:

**Understanding takes  
as long as it takes.**
